#### Always Campaign — Always Affordable

The banner features a dark blue background with faint camera icons. On the left, the LUMINYS logo is followed by the word 'Always' in a stylized font. Below this, the text 'Always Affordable' is prominently displayed in large, bold letters, followed by the tagline 'Essential Coverage Without the Complexity'. On the right side, there is an image of a Luminys security camera system, including a white multi-lens camera and a black NVR unit. At the bottom, three white rounded rectangular buttons contain the following text: 'Preloaded with storage, ready to install', 'Core features for everyday protection', and 'Configurable in 4, 6, or 12 camera sets'.
